

Houston, TX – September 1st, 2018

William Jacob Management, Inc. is pleased to announce that The National Oil & Gas Company of Lebanon (NOGCL), a non-governmental entity, has been appointed on exclusive basis to represent WJM in the countries of Lebanon and Cyprus. NOGCL is licensed by the competent authorities to engage in the Oil & Gas business, offshore and onshore. Our venture into the new region is headed by Mr. Fuad Jawad.

In this strategic role, Mr. Jawad will support WJM in the development of new business opportunities within the Mediterranean Sea and part of the Middle East. He will oversee all aspects of marketing and business development within this region to fully support the goals of William Jacob Management's strategic planning.

Mr. Fuad Jawad is a Petroleum Geologist and a graduate of the University of Texas, USA. He has expertise in Subsurface Structural Geology to identify Petroleum Systems and in the evaluation of Oil & Gas Production. He had worked in the USA for over 20 years in different aspects of the Oil industry, from Exploration and the Exploitation of Oil & Gas fields to the marketing of Oilfield Equipment & Services in the Middle East, North Africa and the FSU, often dealing with local Governments, NOCs and private Oil Companies.
