William Jacob Management Gears up for Offshore Brazil for Peregrino

William Jacob Management recently signed a major contract with Statoil to provide Offshore Commissioning Support for the Peregrino Project in Brazil. A team of fifteen people from William Jacob Management's Houston office will be involved in the project. The team will travel to Rio de Janeiro and Macae and then offshore in Campos Basin to Block BM-C-8 to assist with commissioning of wellhead platforms A and B as well as both drill rigs (DR-1 and DR-2). William Jacob Management personnel have been involved in the preparation for the offshore campaign for almost two years.
